of Middleboro, first runner-up; Cynthia Caradimos of Wareham, Miss Wareham; Patricia Browne of Middleboro, second runner-up. Cynthia was selected to represent the area, as Miss Wareham, at the Miss Massachusetts Pageant to be held in July. Cynthia was chosen from a group of 9 contestants from this area and Cape Cod. She chose a comedy monologue for the talent portion of the program which was held at Old Rochester Regional High School. Donna Desjardins Fihlman was mistress of ceremonies and the former title-holder handled the demanding role skillfully and added much to the pageant's beauty as well. Mrs. Rita L. Blair was director of the pageant which was a polished production, as always.

# Memorial Day.

On this day of the most special quality, a quiet day, one full of meaning; our minds and hearts roam back into the past to recall people who were close to us. In our village ceremonies, or solitary ways, we will honor our dead by cherishing their example in honor, patriotism and sacrifice. Our world is built upon their service and our future depends upon those who remember and are inspired by quality of life.

At the close of the program a parade will form and proceed to the wharf and then to Cushing Cemetery for exercises there. Parade Marshalls will be Lt. Col. George White and Major Charles Morgan.

## Peaceful Demonstration

## 'Dollars for Scholars'

### YOUR HELP URGENTLY NEEDED

Because the costs of getting a college education are continuing to soar, more and more students already in college as well as those planning to go are finding it harder and harder to find the dollars to pay their way. Your help is urgently needed. The Citizens' Scholarship Foundation in the three towns serving the Old Rochester Regional School District asks therefore that you be as generous as you possibly can during the three-day "Dollars for Scholars" Drive to be held May 29, 30 and 31.

What is new for '71? Some of the interesting innovations include a weekend cruise, a revised racing schedule for the handicap boats, an expanded sailing training program which lists an advanced course in Corinthian sailing (for both Juniors and Seniors), and (hopefully) a series of races for Corinthian skippers using spinnakers.

And not to forget the lighter side! Two family picnics on July 11th and August 22nd have been added, and the date for the M.Y.C. Regatta Dinner-Dance is set for July 30th.

Truly, the plans for the upcoming season have something for everybody - for the young, for the young-at-heart, for all those who love the salty tang of the sea and the sound of the wind whistling in the rigging, in fair weather or foul.

### WOMAN'S GUILD ENJOY MANDARIN BUFFET

For its spring meeting, Saint Anthony's Woman's Guild enjoyed a most delicious Mandarin Buffet at Meiling's Restaurant on Wednesday, May 19th. The brave used chopsticks, graciously given to all guests by Madame Meiling, to feast on the delicacies. Guests also brought home charming souvenir May baskets delicately arranged with natural flowers from local gardens.

Over 50 members attended this successful evening at which the Reverend Father Leo King and Father Francis Gillespie offered before and after mealtime grace and an up-to-date report on the church building plans was given by the Reverend Father Raphael Flammia.

A short business meeting provided reports from the secretary and treasurer. There were also reports from the chairmen of the sunshine and ways and means committees. Gifts were presented to Mrs. Jimmie Price in appreciation for her work as president of the Guild from the members and the board.

Plans were announced for the second annual Dessert-Card Party to be held on the sunny, summer afternoon of July 6th. Keep this date in mind. Anyone interested in helping may contact a board member. All are welcome.

The new executive board was presented and volunteers were asked to consider being chairman for a month and to form her own committee for an activity next season. The

for the Communist Party within all the groups where they were working, including the "peace" groups, the black militants and the student groups.

During the four years of undercover work, Mr. Kirk met and worked with many leading personalities, including Dr. Spock and Stokely Carmichael. He spent a summer in upstate New York at a Communist training camp where he received intensive instruction in Communist doctrine, tactics and strategy. He also worked with professors at the university who thought he was great until they discovered he was an anti-communist.

Now free to tell his story, he is on a nationwide speaking tour. His speech, entitled "Inside the Spider's Web", analyzes the revolutionary activity in our country as only a means to an end. Says Kirk: "The Communists, black militants and student revolutionaries will never succeed in overthrowing the government of the United States. But, unless they are stopped, they will scare the American people into accepting socialism from Washington."

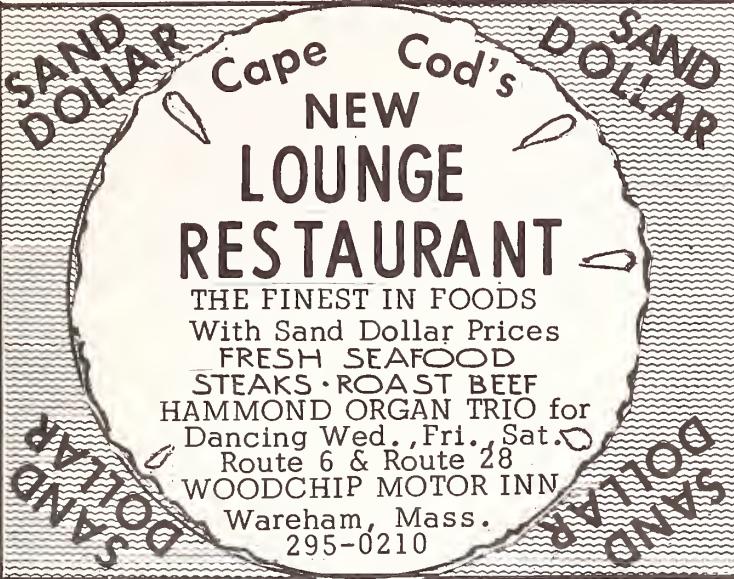

The Greater New Bedford Support Your Local Police Committee, part of a nationwide network, has been formed to encourage our local law enforcement personnel in their difficult assignment and to help to guarantee that the local police remain independent of any centralized control.

## Mattapoisett Grange

### LEGION POSTS VISIT GRANGE

Mattapoisett Grange held an open meeting last Thursday night, May 20th, in the Grange Hall, honoring the Wareham and Mattapoisett Legion Posts. It was a beautiful and serious sight when both Posts, in uniform, presented its colors. After the welcome was extended by the master, Susan LaFleur, the opening prayer was given by Mr. Marcellino of the Mattapoisett Post. The roll call was taken and the program was turned over to Mrs. Marjorie Root who presented the Wanderers Chorus, with Mrs. Theresa Corey at the piano. This was a most delightful group and most pleasing to the audience. The lecturer presented Mr. Earle Wilson, a veteran of the first World War, who was the speaker. Much food for thought was given by him on the meaning of Memorial Day and much on the changes taking place today in regards to the Memorial of those not with us. From the hearty response to his address, many were of the same feeling. He closed with a reading, "In Memoriam", which is used by all American Legion Posts on Memorial Day.

The last half of the program was concluded by the Wanderers Chorus. The benediction was by Mr. Marcellino with the retirement of the colors by both Wareham and Mattapoisett Posts.

Announcements on some of the Grange activities were made: June 9th, a pot-luck supper and Fair Committee meeting; Rummage Sale June 12th in the Grange Hall from 9 A.M. to 12 noon, articles to be brought in Thursday afternoon, June 11th.

Tentative plans are underway for a coffee hour and exhibition of the collection of post cards, especially old ones of Mattapoisett,

## Thank You to the Band!

### OPEN LETTER TO THE JUNIOR BAND

In the twelve years that I have been engaged in the teaching of public school music, never have I been quite so touched as I was this past Friday evening at the annual pops concert at Old Rochester Regional. You chose to bestow upon me a most elaborate and I must say a most appropriate gift. How you ever kept your intentions from becoming known to me I will never know. Your unusual secretiveness caused me to throw a monkey wrench into your presentation ceremony and for this I must apologize, but please believe me when I tell you that I had absolutely no idea that this was supposed to happen.

I hope you can understand that I have a very special affection for everyone in this year's band, because with the exception of a very few, you were the first students to receive instruction from me when I first came to this system four years ago. It has been a great satisfaction to me to have seen you progress from a wide-eyed fourth or fifth grader to your present level of accomplishment. With your cooperation we shall strive to continue to improve our musical organization.

Carl Nelson bashed a pair of home runs to pace the Merchants' success. A three-run fourth inning rally by the victors dissolved a 3-3 tie and the Merchants were never headed. The only Fish on the Wharf tallies were back-to-back homers by Richie
